

Bali, Indonesia

Climate

Tropical and warm all year near 30 C. A dry season from April to October and a humid wet season from November to March with short afternoon downpours.

Best time to visit

The dry season (April-October), especially May-June and September, offers sun and lower humidity - ideal for beaches and surfing.

Top attractions

Ubud's rice terraces, yoga studios and monkey forest; the clifftop Uluwatu and sea-set Tanah Lot temples; the beaches of Seminyak and Nusa Dua; a sunrise hike up Mount Batur; and the Nusa islands.

Food

Nasi goreng and mie goreng, satay skewers, babi guling (suckling pig), abundant tropical fruit, and fresh seafood at beachfront warungs.

Visa & safety

Generally safe; take care with scooter traffic and strong ocean currents. Many nationalities use a visa on arrival or e-visa - check the current Indonesian entry rules and passport-validity requirements before travel.
